The ***STILI*** family of Eurocryor presents the ***rear cabinet*** dedicated to the ***fresh meat***! Eurocryor presents the new Torre Retrobanco, designed to enhance the fresh meat through its display: a cabinet that becomes a sales and conservation tool at the same time.

Preservation, merchandising and exposition volume all in one.

Refrigeration dedicated to fresh meat preservation

Total glass effect to grant food visibility

Sturdy structure entirely in stainless steel

Total customization for aesthetic color, finishing and materials

New LED lighting to enhance the natural freshness of food

Eco-labelling: class B for all length
